

## T·O·W·E·R

---

This writing strategy is helpful when students need help with the process of how to start and organize a paper.

---

T

**Think**

*Brainstorm some ideas and determine the focus of the paper.*

O

**Organize**

*Create an outline, making sure to include all the examples you need to make your point.*

W

**Write**

*Start to put your words on paper!*

E

**Edit**

*Review your writing, or have a peer review it, and make corrections.*

R

**Rewrite**

*Add your changes and create a final draft.*
