INTERVENTIONS FOR WORD RECOGNITION/AUTOMATICITY

Pre-K to Grade 2

1

PLAY

Play with letter shapes and forms to help students recognize visual word patterns.

2

BUILD

Combine word partners to build compound words.

3

CATEGORIZE

Categorize words into common categories, for example: clothing, transportation, jobs.

4

DRILL

Use timed drills to practice sight reading skills and correct mistakes.

5

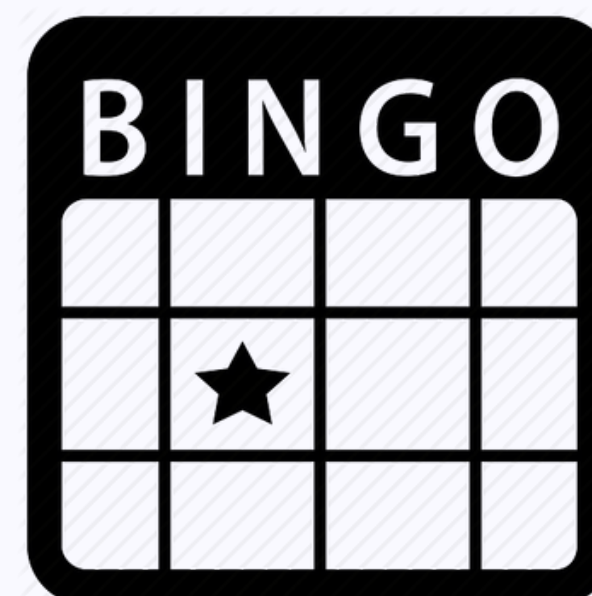

RECITE

Recite nursery rhymes and familiar songs.

6

REINFORCE

Use word games such as bingo to reinforce basic sight word recognition.

7

SEARCH

Search for short words inside longer words.
ie. Q: "What words are inside 'mother'?"
A: other, the, moth.
