

T·O·W·E·R

This writing strategy is helpful when students need help with the process of how to start and organize a paper.

T

Think

Brainstorm some ideas and determine the focus of the paper.

O

Organize

Create an outline, making sure to include all the examples you need to make your point.

W

Write

Start to put your words on paper!

E

Edit

Review your writing, or have a peer review it, and make corrections.

R

Rewrite

Add your changes and create a final draft.
