Michael Karras video - *Self-Reflection Questionnaire*

1. Think about who is the “Michael” in your class? What point are they at in his story?

2. In what ways is this student similar to Michael?

3. What are some ways this student struggles in your lessons?

4. What would success look like for this student?

5. What accommodations or strategies have you used to help?

What worked?	What didn't worked?

6. How has your school helped support you in teaching and accommodating this student? Could they do more?

7. Is there anything from Michael's story that may work for this student? What will you try next after having seen this video?
