

# Weekly Learning Summary

## for: \_\_\_\_\_

**“I’m in charge of my success”**

### **My Summary**

In the form of a message, write about what you have learned, what you are worried about, what makes you proud, your questions, your work habits in class, and anything that is related to your well-being and my success.

### **My Challenge for the Upcoming Weeks:**

---

### **Coaching**

Here you can find my words of encouragement and observations, as well as strategies that you can use to continue making progress.

### **Parents’ Corner**

Here, parents can write words of encouragement, advice and observations concerning their child’s well-being and success.
